Hi, Paula.

I've been in touch with Libby and Rich, and I have been monitoring some of the press coverage. I'll be in tomorrow and hope to pitch in then. I'll touch base with you if you are in, too.

Thanks!

Thanks for sending Cynthia. Libby is in Durango as PIO as of 30 minutes ago. Shaun and David O are flying in tomorrow and Libby will be picking them up and then touring the river, EOC, etc. Give a call if you have any questions. Lot's of press today. Can fill you in if you like.
